Elementary School Ohana Bubble
Decreasing Exposure to COVID-19

Practice Good Habits
- Stay home when you are sick.
- Wash hands when entering the classroom and frequently throughout the day.
- Stay 6 ft apart.
- Wear a mask when physical distancing cannot be done.

Use Caution
- Classroom bubbles should stick together when outside the class and not mix with other class bubbles.

Avoid
- Avoid unnecessary visitors to the classroom.
- Any visitor must wear a mask.

Remaining inside your Ohana Bubble
1. decreases the number of people that students and staff are exposed to throughout the day
2. decreases the number of contacts exposed if a case is diagnosed within the bubble
3. does not eliminate the risk of COVID-19 but helps reduce the spread
