Department of Public Safety:
Inmate and Staff Testing Continues

The Halawa Correctional Facility (HCF) reported two (2) more inmate test results from over the holiday weekend, of which one (1) was positive and one (1) was negative. The number of hospitalized HCF inmates is down to four (4). There was one (1) new positive staff case reported along with five (5) more staff cleared to return to work, dropping the active positive staff cases to 23. Surge testing, with the assistance of DOH, the Hawai'i National Guard, and Project Vision Hawai'i, will continue at HCF until there are no new positive cases at the facility. The O'ahu Community Correctional Center reports 36 negative inmate test results. For more information on PSD's planning and response efforts to COVID-19:

Ali'iōlani Hale Employee Tests Positive for COVID-19

An employee at Ali'iōlani Hale has tested positive for COVID-19. The employee, who doesn't interact with the public, became symptomatic during the evening of Dec. 31, and received a positive test result on Jan. 3. The employee was last in the office on Dec. 30. All those with prolonged close contact to the individual have been advised to quarantine and seek medical advice. Areas where the person works are cleaned regularly, but out of an abundance of caution, it received additional disinfection this morning. DOH has been notified and the building remains open for those with official court business. To view more:
