#### **People Encouraged to Review 2021 Special Enrollment Period for Comprehensive Health Care Coverage**

DCCA is encouraging Hawai'i residents to visit [HealthCare.gov](https://www.healthcare.gov), following President Biden's Executive Order that provides a Special Enrollment Period (SEP) for Health Insurance Marketplace coverage. Starting Feb. 15, 2021, and continuing through May 15, 2021, [HealthCare.gov](https://www.healthcare.gov) will make a SEP available in response to the COVID-19 pandemic. Consumers who are submitting a new application or updating an existing application can access the special enrollment through the healthcare.gov website or the marketplace call center at (800) 318-2596.

Insurance Commissioner Colin Hayashida said, "It's been almost year since a public health emergency was declared due to COVID-19 and the emergency continues. As we continue to tackle this pandemic, it is more critical than ever to ensure that Hawaii's uninsured and underinsured have access to affordable healthcare. This special enrollment period allows individuals and families a chance to get comprehensive health insurance coverage if they qualify." To view more:
