### **Department of Public Safety:**

#### **Statewide Inmate Testing Continues**

COVID-19 testing is continuously being conducted statewide at all facilities. The Maui Community Correctional Center (MCCC) reports 18 inmate test results. Of that number, two (2) were positive and 16 were negative. The total active positive inmate cases stand at 14 and the total number of recovered inmates is 74. There were also 14 negative staff results reported. No MCCC inmates have required hospitalization due to COVID-19. Although all other facility inmate populations are clear of the virus, mass testing continues with DOH assistance. The O'ahu Community Correctional Center reported 20 negative inmate results. ### **Department of Accounting and General Services:**

#### **2021 King Kamehameha Celebration Events Canceled**

The King Kamehameha Celebration Commission announced it was canceling the King Kamehameha Celebration parade events statewide due to the ongoing pandemic. The Lei draping may still be held in a private format if regulations permit. A socially distanced Ho'olaule'a on O'ahu, is still being considered for the June 11 holiday.

"The decision to cancel these major, statewide events was made with the health and safety of our island communities and kūpuna in mind, said Kainoa Daines, chair of the King Kamehameha Celebration Commission. "While we are hopeful that the worst of the COVID-19 health crisis will be behind us by June, we feel the prudent response at this time is to cancel the parades as the preparations and event draw large crowds to prepare and attend. This allows all involved in our respective King Kamehameha celebration festivities across the state to focus on matters important to health, welfare, and economy. We look forward to a return to in-person festivities commemorating and celebrating Kamehameha Pai'ea in 2022." To view more:
