1 Positive WCCC Inmate Result

COVID-19 testing is continuously being conducted statewide at all facilities. The Women’s Community Correctional Center (WCCC) reports five (5) inmate test results. The Department of Health was contacted and will conduct contact tracing. No other inmates have reported symptoms.

The Hawai’i Community Correctional Center reports 36 negative inmate results and 18 negative staff test results. The Maui Community Correctional Center reports 17 negative inmate test results and 10 negative staff results. There were 15 negative inmate test results received for the O’ahu Community Correctional Center and 11 negative inmate test results for the Halawa Correctional Facility.
