**Kaua'i District Health Office issues green placard  
to Olympic Café after closure earlier this week**

KAUA'I – The Hawai'i Department of Health (DOH) Food Safety Branch at the Kaua'i District Health Office issued a green placard today to the Olympic Café located at 1354 Kuhio Highway in Kapa'a. The restaurant's food establishment permit has been reinstated after it was issued a red placard earlier this week on May 10.

The Olympic Café was closed on Monday after a Department of Health Food Safety Branch inspector responded to complaints about the establishment's violations of mask use requirements. A red placard was issued as a result of investigations conducted on May 4 and May 10 when an inspector observed restaurant staff working without masks on both occasions.

A follow-up inspection today confirmed the restaurant corrected the violation and the establishment was issued a green placard and allowed to reopen. The Olympic Café is expected to resume operations tomorrow.
